

Consultation room available

at

Harvest Natural Health Centre.

We are looking for a qualified and experienced

Massage Therapist

There is a vacancy for a committed Massage Therapist to join our multi disciplinary team of health practitioners, in an established clinic in the Richmond Road area of Grey Lynn.

We can offer 1,2 or 3 days per week, but are ideally seeking someone wanting at least 2 days per week, with receptionist services and an attractive rental package being made available.

Harvest Natural Health Centre has been established for more than 25 years and has built a reliable reputation in the Grey Lynn area. It is an excellent location to expand an existing patient/client base or build a new practice.

There may also be the opportunity to join our Collective, who manage the clinic.

Also a great space for workshops and group meetings - with kitchen facilities.
